Break In

Sadly we had another break in during the holidays. The Canteen was once again targeted with the freezer emptied, and our new BER building from which our TV was stolen. Both these buildings were broken into by breaking the locks of the back windows. Everyone is really disappointed that our beautiful school is not safe and once again we have lost valuable equipment belonging to the school.

Intensive Swimming

Congratulations to all the students for making huge growth in swimming. I am amazed at the progress made this year and we will certainly continue to have the lessons at the beginning of the year rather than at the end.

Senior Class

Once again we are trialling including the Year 2 students as part of the senior class. So far this has been a very positive trial. The students are happy and feel really grown up, they are levelled according to ability and are able to learn from the older students but we will evaluate this arrangement at the end of week 5 to see if it continues for the remainder of the year.

You Can Do It (YCDI)

The YCDI program is continuing this year. It hopefully will support students to make positive choices, think of other people’s feelings and improve their persistence and confidence. The Key that we are concentrating on this term is Getting Along.

P&C Meeting

The annual general meeting of the P&C was held last Monday. The officer bearers for 2013 are:

- Treen Barwick, President;
- Sally Foreman, Vice President;
- Krista Armstrong, Secretary; and
- Jody Goater, Treasurer

Congratulations to all.

Thank you to Chris Robinson for his contribution for the last three years as President.

Volunteers are being asked to come forward to be on the Fund Raising Committee. Please contact Krista if you would like to help your children’s school by being on this committee.

The school is organising a Fete on Saturday 23rd, March 2013 to be held in conjunction with the Gravesend Tractor Pull being organised for the 23rd and 24th March, 2013. The P&C are going to assist in any way possible so please come along and help with this major fund raiser for the year. The proceeds will go towards the yearly excursion for the students.

The P&C will be catering for the next Shire Meeting in Gravesend on the 12th March. All helpers will be greatly appreciated.

Moree on a Plate

The organisers of the 2013 Moree on a Plate Kids Korner have invited our school to participate in running a stall on the day – 4th May, 2013. I’ve attached the letter from the organisers so if anyone is interested in helping to run a stall on the day contact the school.

The first sport swimming will be on Thursday 21/2/13.
