BRONZE CERTIFICATES—ZAC BARRINGTON
Welcome back for 2013 and a big welcome to our new Kindergarten students. Everyone had an exciting holiday and we began the year on a very busy note. The students are all keen to learn and the members of staff are refreshed and positive about this year.

**Intensive Swimming**

Our Intensive Swimming Program has been very successful. Each student has advanced by 200%. The students are keen, the teachers are fresher, it is not such a frantic time of the year and the weather has been kind to us. We have one session left which will be on Monday, 18\textsuperscript{th} Feb, 2013

We held 2x1 hour sessions each day (before and after lunch). This halved the cost of pool entry, the bus hire and time out of school. This was an excellent way to run the swim program because when the students were taught a skill they had plenty of time to practise it, resulting in fantastic progress for each student.

**Swimming Carnival**

We also joined St Joseph’s Warialda for the Swimming Carnival at the Warialda Pool. This was a great evening with our students demonstrating excellent behaviour, persistence and good sportsmanship. We held our Ribbon Presentation at Assembly today and have attached the results to this newsletter.

**Swimming for Sport**

We are going to continue swimming for sport until it turns cold. We need to change our sport day from Friday to Thursday so we can have the use of the pool without clashing with other groups. We will continue the 2 sessions per day and continue lessons.

The first sport swimming will be on Thursday 21/2/13.
