Regional Principals’ Conference, Tamworth

Last Thursday and Friday I attended the last Principal’s Conference for the New England Region. Sadly our region ceases to exist and the schools of this region are being allocated to different Networks of schools. Most of the Moree group of schools are going to be in the Barwon Network along with Inverell schools, Delungra, Ashford and Bundarra. The Networks are much larger than the existing Regions.

Greg Prior, the Deputy Director-General of Schools, and Michele Bruniges, the Director-General of Schools, explained the changes that are occurring for school management, Professor Geoff Masters explained how schools could be reviewed, Sharon Young and Margaret Baker helped us to understand the Disability Discrimination Act and its implication for schools and Dr Samantha Murray told us about the White Ribbon Program—‘Breaking the Silence in Schools’.

It was an intense two days which left our heads reeling with information that will probably change again before the end of term.

At the beginning of Term 2 an extra Staff Development Day has been allocated to teachers to train in implementing the new curriculums. Therefore, students do not return to school until the Wednesday. The staff will be attending the Small Schools’ Conference on Sunday, Monday and Tuesday in Armidale where this training will take place.

Have a great Easter and remember that students do not return to school until Wednesday, 1st April, 2013.
