It is the end of week 4 already. The intensive swim school has now been completed with excellent results for every single student who participated in the lessons.

I’m very proud of all our wonderful students because they are working so hard all the time in every Key Learning Area. Well done everyone!

Transition

Mrs Bess and the Transition students are having a wonderful time in their new room. They have a circus tent set up at the moment and are learning through play activities. They love stories and being in the Library they can choose stories from our picture book section which is extensive.

Homework

Homework is working well and I feel that it is now a worthwhile learning activity for the students. Well done!

Parent Workshops

Some parents have indicated that they would like to attend a Parent Workshop after Assembly on Friday while others prefer a Wednesday night. I will hold the first workshop next Wednesday 26\(^{th}\) Feb at 6.30pm. Unfortunately I will be away next Friday, then mid-term break is the following Friday so the first Friday available for a workshop is the 14\(^{th}\) March

P&C Meeting

I would like to thank our wonderful band of workers in the P&C. At the meeting last night all the office bearers were re-elected to be the leaders of this parent group for another year. Thanks. As you all know we are not being funded to the same degree as we have had for the last 8 years so the school will have to rely on the P&C to help fund programs and buy equipment. Thank you for already buying 2 new computers for the students.

Mid-Term Break

The weekend after next is the mid-term break for Term 1. The dates are Friday, 7th March and Monday, 10th March. Students are expected back at school on Tuesday, 11th March.

Have a great week.

Kris Pagett

A successful P&C AGM was held last night with the executive returned to their positions for another year.

President - Katrina Barwick
Vice President - Sally Foreman
Secretary - Krista Armstrong
Treasurer - Jodie Goater

The P&C has once again agreed to purchase 2 computers for the school, so we can keep upgrading our older ones that do not always work.

They also decided that they will hold a Working Bee on Sunday, 30th March to help tidy up the gardens, grounds etc... Everyone is most welcome to come & help on the day.
WHAT'S ON IN FEBRUARY!!

- FRIDAY, 28TH FEBRUARY - CLEAN UP AUSTRALIA DAY
- THURSDAY, 6TH MARCH - SOCCER & NETBALL GALA DAY - MOREE FOR PRIMARY STUDENTS
- MID TERM BREAK - FRIDAY, 7TH & MONDAY, 10TH MARCH

REMINDER

- Canteen is now operated on each Thursday

- Gel pens are available for purchase for students in Years 2-6 at $7 per pack

WE NEED YOUR HELP

Students in K-6 are currently studying a unit of work called “CARE FOR YOU BRAIN”. It would be greatly appreciated if parents could send in packets of noodles, poppers, chips, muesli bars etc so that we can research the quantities of sugar & salt, and their effects on your body.

These do not need to be full packets, they may be empty. All items sent in will be returned to you.
