This term has been very hectic already.

Thank you to all the grandparents who visited our school last Friday for Grandparents’ Day. The students get very excited about showing off for their family. We had a wonderful day beginning with the students presenting their speech for ‘Have Your Say Day’ to the whole school, their parents, grandparents and community members. They all prepared a speech on ‘The best pet in the world’ and there were some very interesting pets amongst them!! Every student has made excellent progress in public speaking over the last 3 years. After assembly everyone visited the classrooms and were very impressed with the students’ expertise using technology, their reading and their ability in maths. The morning culminated with a delicious morning tea.

Tomorrow we are hosting an Aus-Tag Day run by Peter Stevens. The students will be involved in coaching clinics in the morning commencing at 10am and then play games after lunch finishing at 2pm. Our students are looking forward to welcoming Pallamallawa PS, Delungra PS and St Joseph’s from Warialda. We hope that you all have a wonderful day.

Only 1 week to the excursion. The students and staff are getting very excited. Travel will be by bus.
