Swimming finished last Monday. It was a very successful program with all students making fantastic progress. Well done to the teachers, students and parent helpers.

The combined Swimming Carnival with St Josephs was wonderful. The students excelled themselves much to the surprise of parents, grandparents and friends. Thank you to all the people who helped out on the day and to the spectators who helped students’ achieve their personal best by cheering them on.

I went to a school planning day in Moree this week. We are working on a plan for school improvement for the next 3 years. If there is anything that you think the school needs to improve could you please contact us. The surveys that you completed at the end of last year will be used to help with our plan. Thank you to the people who returned their survey.

Tomorrow we are holding our 1st art workshop for the Wallangra Festival. Carolyn McCosker is the artist who will be teaching the students. Their completed art works will be exhibited at the Wallangra Festival on the 28th March, 2015. On the 27th March we will travel to Wallangra for the last workshop for the students to complete their art-works and to practice their singing items for the performance at the concert on Saturday, 28th March. Mrs Lockery will be attending to help with the workshop and assist with the concert.

Congratulations to the students who qualified to compete in the McKechnie Shield in Moree tomorrow. Thank you to Treen Barwick who has agreed to be the attending teacher and to Lorroi Kirkby who is going to organise the team. Good Luck and have an enjoyable day!

Have a great week,

Kris Pagett
Assembly Awards

Week 3

Student of the Week

MM Class - Zac Barrington
PB Class - Tommy Lysaght
