CONGRATULATIONS TO ISAAC, FLO & MOLLY ARMSTRONG WHO WERE SUCCESSFUL IN QUALIFYING FOR THE NORTH WEST ZONE SWIMMING TRIALS TO BE HELD IN ARMIDALE NEXT TUESDAY, 3RD MARCH.

NEXT FRIDAY, 6TH MARCH WE WILL BE HOLDING A MORNING TEA AFTER ASSEMBLY TO THANK THE BUSINESSES WHO DONATED MONEY TOWARDS THE PURCHASE OF THE NEW OUTDOOR TABLE SETTINGS.

PARENTS ARE ASKED TO SUPPLY A PLATE OF FOOD TO SHARE ON THE DAY.
We are delighted to welcome Kay back to work. It is fantastic to see her looking so well. She has been slowly getting everything back in its right place and doing the jobs that we missed!!

Thank you to Judy Mills and Karen Withers for keeping the wheels in the office turning during Kay’s absence.

Congratulations to Chevy Noble, Isaac Armstrong, Sam Kirkby, Caleb Withers, Flo Armstrong, Tilly Barwick, Flynn Kirkby, Molly Armstrong and Lola Barwick who travelled to Moree to compete in the McKechnie Shield last Friday. It was fantastic to note that all the students improved their PBs and congrats to Isaac, Flo and Molly who have qualified for the Regional Carnival in Armidale next Tuesday, 3rd March. I am very proud that you were all such wonderful ambassadors for Gravesend PS.

Our first Assembly will be tomorrow morning where the Swimming Carnival Age Champions will be presented with their medals.

The Art Workshop – ‘Not Quite Picasso’ was very successful. The students studied works by the famous artists Picasso and Montisse to help them produce a portrait using the same style as Picasso - cubism. Thank you to Carolyn McCosker and her helper Virginia for their expert tuition and support for the students. Between now and the next workshop at Wallangra on the 27th March, Mrs Bess will be assisting the students to continue with their portraits.

Have a great week,

Kris Pagett
