Wallangra Festival –‘Not Quite Picasso’ and ‘Not Quite Baroque

Practice is going well with the songs for the Wallangra music workshop. We have some fantastic singers in our school. All students have been invited to take part in choral items in the performance on Saturday night 28th March at Wallangra. If parents can take their own children that would be a great help but if you can’t but would like your child to participate please contact the school to see if other transport arrangements can be made.

The cubist portraits are progressing well with most students now painting stage their canvas. Please return the note that is enclosed with this newsletter so I can make arrangements for the Wallangra Festival.

Debating

Thank you to the parents who have returned the note and money for the debating workshop at Tenterfield on the 31st March. Also thanks to Lorroi for offering to help with transport. If you haven’t returned your note or let me know if your child will be attending could you please do that ASAP. Thanks.

ICAS

I’ve enclosed a registration form for the International Competitions and Assessments for Schools (ICAS). If you are interested in your child participating in these assessments please return the form with the money by the 20th March, 2015.

School Plan

I am attending a workshop at Warialda High School conducted by Ruth Samuels to help schools to finalise their School Plan 2015 – 2017. The plan has to be submitted by the beginning of Term 2.
