Welcome back to school for 2016.

The Kinders have settled in well, with no tears. The parents were even tearless this year!!

It really does help that they have all had a few years of Transition & are only changing rooms.

We have a busy term ahead of us already!!

There are a lot of notes going home today, with the majority needed back by tomorrow.

As there is a little bit of money that will need to be paid in the first 2 weeks, if you need to pay it off in instalments please speak to me.

Mrs Motley is away for the first 2 days but will return for Monday, 8th February. Mrs Bess will be teaching in her classroom, with Mrs Mead on Transition today & helping with infants & swimming tomorrow.

As we have a few families still on holidays, the pictures of the new Kinders will be in next week’s newsletter.

Mr McIntosh will also return as our chaplain each Friday. More in next week’s newsletter in regards to this.
Canteen will again be held each Thursday. Orders must be in by Tuesday morning at the school or Tuesday afternoon at the latest to the Gravesend Shop. Justine will be sending the roster out shortly. The menu is with this newsletter & is unchanged from last year.

Next Friday, 12th February the school will join with St Joeys for the annual swimming carnival. The P&C will be in charge of the BBQ this year, so please come along & help out.

It will be a sausage sizzle dinner. Cost $2 for one sausage & one piece of bread.

Also we have the annual parents challenge, so those parents who can swim well please bring your togs too. We are the defending champions!!

I will have pictures of the new Kinders & Transition next week when everyone has returned from their holidays.

Kay
